Dear Member,

As you may know, Ahold-Delhaize, the parent company of Stop & Shop, announced at its recent investor meeting that it will be closing “underperforming stores.” At this point, we know you have a lot of questions about what this will mean for your store and your job. So do we. While we might not have all the answers yet, it is our top priority to tirelessly advocate for you during this process.

In the coming weeks, we expect to get more information from both Stop & Shop and industry experts about the impact of these closings. We will, of course, be sharing anything we learn with you and your co-workers. Please make sure you are signed up to receive both email and text alerts from your union.

Your entire UFCW family, from Local 1459, to the thousands of fellow union Stop & Shop members and UFCW members across the nation, is standing behind you as we navigate this process together. Please do not hesitate to reach out to our office, or to your union representative if there is anything we can do to support you.

In Solidarity,

Jeff Jones  
President  
UFCW Local 1459
