NEW LOCATION!

Wyckoff Country Club
233 Easthampton Road
Holyoke, MA 01040

Founded 11 years ago by Ernie & Tammy Fitzell, The Miracle League of Western MA believes that every child deserves the opportunity to experience the joy of playing baseball. They have removed barriers for children, ages 4-19, with special needs so that they can participate in a game of baseball just like their siblings or friends do. The players even receive their own customized shirt.

The league plays two seasons, with eight games in the spring and six games in the fall, which are all volunteer based. The games are played at an accessible field at Springfield College on Sunday mornings. All games are non-competitive and consist of two innings in which every player gets to bat twice and is out in the field twice. There are a total of three games that are played, based on age and ability, with the first 2 games requiring Buddies for the players. The third game is for the more independent/older players who do not require Buddy help anymore.

Each player is paired with a volunteer or Buddy to give them as much or as little assistance they require for the entire game. The Buddy is there to protect the player from balls, assist the player in batting and running the bases (if needed), and to be a friend on and off the field.

If you'd like to learn more or get involved with The Miracle League of Western MA, contact Brian Feeley, the Board President, at: brian@miracleleaguestma.com
